

TILE ADHESIVE REMOVAL TOOL

4-in-1 Tool

ART001

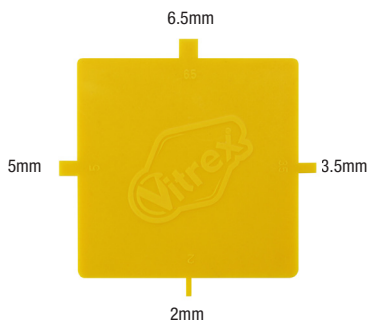

During the tile fixing process, adhesive can escape into the grout joint. The patented Vitrex Adhesive Removal Tool clears any excess prior to grouting. Final clean up time will be reduced if the adhesive is removed when wet.

COMPACT

4-in-1, wide, compact tool for easy storage and portability

DURABLE

Durable plastic material will not scratch tile and is easy to clean

Easy to use with clearly marked tips for 2mm, 3.5mm, 5mm, 6.5mm
