

PREMIUM GROUT FLOAT

102901

This Vitrex Grout Float forces grout in between tiles for complete coverage. It features a premium latex face laminated to a lightweight foam core. The contoured, rigid, soft grip handle and steel back plate makes this float easy to use on large areas.

ERGONOMIC

Contoured handle with soft grip effect fits well in the hand

TOUGH

Steel back plate for a rigid and long lasting float

LIGHTWEIGHT

Latex face laminated to a lightweight foam

CLEANABLE

Easy to clean with water, prevents grouting material from being absorbed
