

CORK HANDLE TILE ADHESIVE TROWEL

CORKT66 | CORKT1212

The Vitrex Cork Handle Trowels feature a cork infused handle, engineered for better cushion and anti-slip use. The more this trowel is used, the more cork becomes exposed, improving the non-slip properties of the handle. The extra handle-to-shank distance allows for maximum hand clearance and added comfort. Available in 6 & 12mm square notch varieties.

COMFORTABLE

Cork handle with guard for a superior non-slip grip

LASER ETCHING

Enhanced branding and notch size identification

LONGER

305 x 115mm blade length

DURABLE

250mm shank with 13 rivets for maximum strength

HAND CLEARANCE

Extra handle-to-shank distance allows maximum hand clearance

RESILIENT

Stainless steel blade and shank for 25% longer life
